**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Investigation on the Commission's Own Motion into the Practices of the Southern California Edison Company to Determine the Violations of the Laws, Rules, and Regulations Governing Performance Based Ratemaking, its Monitoring and Reporting to the Commission, Refunds to Customers and Other Relief, and Future Performance Based Ratemaking for this Utility.

Investigation 06-06-014  
(Filed June 15, 2006)

**ADMINISTRATIVE LAW JUDGE'S RULING  
GRANTING MOTION OF SOUTHERN CALIFORNIA EDISON COMPANY  
(U-338 E) REGARDING CONFIDENTIALITY OF THE CPSD REPORT  
AND OTHER SUPPORTING DOCUMENTS**

On June 29, 2006, Southern California Edison Company (SCE) responded to the direction of the Commission to justify confidential treatment of (1) portions of the June 15, 2006 Consumer Protection and Safety Division (CPSD) Report, (2) SCE's interview notes, (3) transcripts of examinations under oath taken by CPSD, and (4) other information that was obtained by CPSD through discovery.

Immediately prior to SCE filing this motion, CPSD and SCE discussed confidentiality issues and reached agreement on interim procedures to protect SCE's confidentiality concerns and still provide for public availability of CPSD's Report and other supporting documents. Employees named in the Report and supporting documents are generally identified by a code number and job title, e.g., CS1129 (Planner) or CS1135 (Planning Supervisor), other than the SCE officers that are specifically named in the CPSD Report. SCE and CPSD have a

list that links the code numbers to employee names, and that list will be made available to parties to this proceeding subject to an appropriate nondisclosure agreement. SCE has attached a proposed *pro forma* nondisclosure agreement to its motion. SCE and CPSD agree that the procedures and substance of their agreement are interim, and that any interested party may at any time request changes.

Now, therefore, good cause appearing, **IT IS RULED** that:

1. CPSD's Report, SCE's interview notes, other information attained by CPSD through discovery, and the transcripts of examinations under oath, plus the redacted and coded versions of these data request responses shall be publicly disclosed immediately.
2. Interested parties who have formally appeared in this OII may obtain the code list of employee names upon execution of an appropriate nondisclosure agreement.
3. I have not approved the nondisclosure agreement attached to SCE's motion. That will be considered at the July 25, 2006 prehearing conference.

Dated July 10, 2006, at San Francisco, California.
